# 體盜アリス

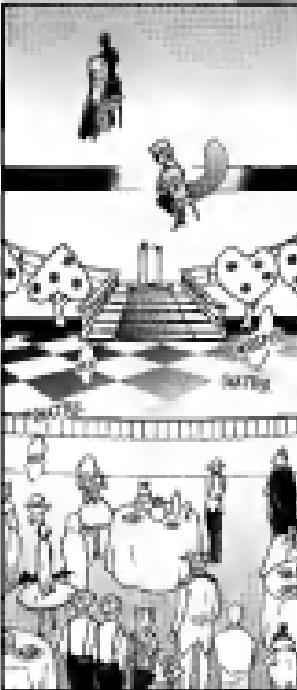

IT'S  
IMPOSSIBLE.

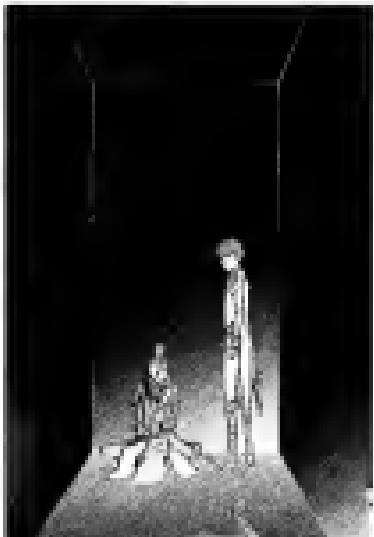

IF WE  
WORK  
TOGETHER,  
I

I WANT  
TO  
RESUCE  
THAT  
GIRL.

T/TX THE KNOCK KEARS' SPECIAL SKILL  
"WARP FREEDOM"

FLASH

"Mad Tea Party".

Calling...

"When a Golem  
wishes and has  
their wish  
granted..."

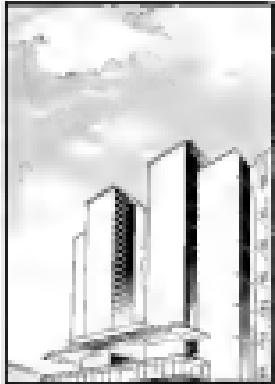

"After  
death..."

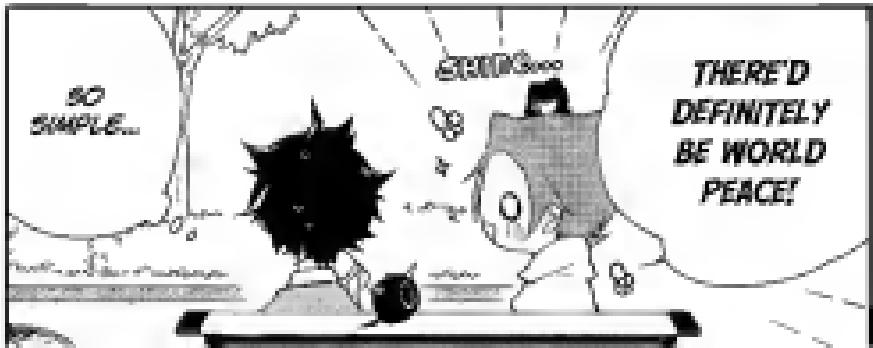

"They get  
over it.  
It's normal.  
It's natural  
to feel like  
that."

*Even  
after  
hearing

that...*

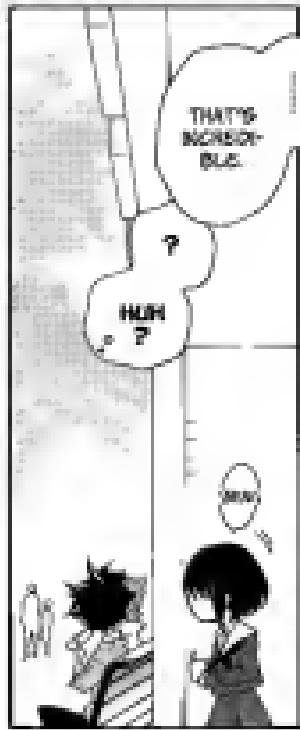

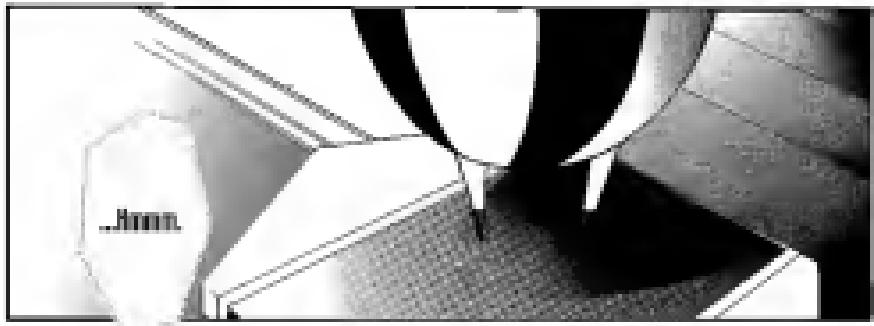

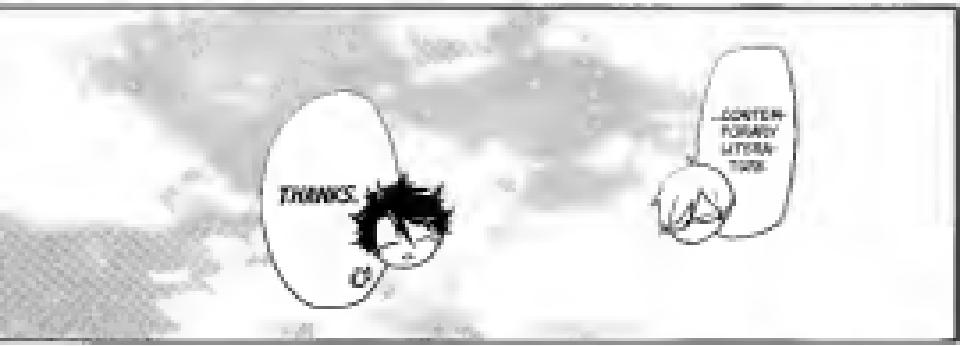

WELL, EVEN  
IF I DON'T  
WIN AS IT  
IS NOW.

WISHES  
COME  
TRUE.

Shall we  
continue  
the battle  
Games?

opposition  
countries to be  
able to  
represent  
countries  
to successfully  
make progress

Our current  
cast seems a  
little differ-  
ent, huh?

Things have  
been kind of  
misunderstood  
around here  
recently

But this  
excitement is  
enough, right?

Now then...
